20<sup>th</sup> March 2020

**Important Parent information notice:**

In response to the Government's advice about social distancing, we are unable to offer the level of childcare as advertised previously. We are still currently offering childcare for those families as identified as critical key-workers or vulnerable by the government using the criteria as available: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>. If you need more details or feel that you may qualify for a place please contact us.

However, we are looking at fun ways we can share information and activities with you remotely via our Website or Tapestry.

We would really welcome ideas from you about how you would like us to stay in touch with you whilst the centre is providing reduced care. Please feel welcome to share your ideas by commenting below or by sending us a message.

If you need family support or if you are in financial hardship due to Coronavirus, please contact us so that we can provide you with support and guidance about how to get help.

Regards and stay safe and well 😊

Jeanette and the St Michael's staff team
